Event Details

The BIG signature Event!! I will break it down into event areas below

Parking Lot

30 parking spots reserved for Food trucks, Ice Machine, dumpster, and FlockFest Van/Uhaul rentals (we should have some leftover for key volunteers)

-we are planning to have a FLPD officer working the parking lot

Blowup Station

The blowup station is location behind the city Bathrooms. We rent a giant air compressor to inflate approx. 500 inflatable flamingos. Plus, we accept donation for any outside event inflatable floats.

The Air compressor is expected to be delivered Friday night and will be placed behind/beside the city bathrooms.

Birdcage

The Birdcage is an area where we store the 500+ VIP inflatable flamingo floats. This will be located near the Blowup stations. The Birdcage is PVC frame structure that will be built the morning of event.

Guest Check-in/Question Tents

We hope to speed up our check-in process this year- by offering many many many check-in parties during the week. (see website for those dates and locations) the Check-in tent on Saturday will use 4 of FlockFest existing logo tents. The FlockFest Board members will run this tent...and check-in any last min guests and answer event questions.

VIP Event Area

The VIP area is a barricaded area (for liquor liability reasons) It will have 3 tent entrance/exits. The Entrance will be located North end, south end and beach access.

The VIP area will consist of the following areas/iteams

- 60 VIP cabanas
- 2 30x30 Bar tents
- 1 20x30 sponsor tent
- 1 20x20 Andrew Christian tent
- 1 DJ booth/stage/sound system
